

LOP for Explore Program

For students who have been accepted into the Explore Summer French Language program and who wish to apply for transfer credit:

It is possible to get elective transfer credit for some **but not all** courses that are offered through the Explore program. Only courses taken at the following institutions are eligible:

- Université Laval
- Trois-Pistoles French Immersion School (Western University)
- Université du Québec à Trois-Rivières
- Université du Québec à Chicoutimi
- Université Sainte-Anne
- Université de Moncton
- Université de Sherbrooke
- Université de Montréal

- **[Note that Explore courses offered by Université du Québec à Montréal are NOT eligible for credit.**

Transfer credit will usually be given as 6 units of unspecified French, either Level 1 or Level 2, depending on what level course students are placed in by their Explore host institution.

Are you attending an Explore course at one of institutions listed above? Would you like to apply for transfer credit?

Since we do not yet know exactly which course you will be taking on Explore, you cannot formally apply for a Letter of Permission for transfer credit using Mosaic at the moment. However, please send your Academic Advisor an email applying for transfer credit now from your McMaster email account.

Please include the following information:

- Your full name
- Student number
- Your current program and level
- Explore host institution
- Dates of Explore course

If approved, appropriate transfer credit will be added to your student record once your Explore host institution sends your transcript directly to your Academic Advisor upon successful completion of the course.
