

Financial

Financial Information

Financial support, if available, will be included in the letter of offer. Only limited financial support is available for full-time students on a competitive basis.

Sources of support

- Awards made to students who have applied to external agencies (e.g. Social Sciences and Humanities Research Council (SSHRC), Ontario Graduate Scholarship (OGS), Canadian Institute for Health Research (CIHR), Heart and Stroke Foundation of Canada)
- Internal scholarships (e.g., Dr. Vivian Wood Scholarship, Ann C. Beckingham Scholarship, Rose C. Mosgrove Scholarship, Aileen McPhail Memorial Prize)
- From a supervisor's research grant

All applicants are advised to apply for financial assistance from sources outside McMaster University. Information and addresses of Agencies and Foundations should be available from your nearest University Library or School of Graduate Studies. As well, there are several programs of research in the School of Nursing that offer support for graduate students.
